## CONNECTING THE HEADSET

Plug the USB-A connector into the computer USB port.

## HEADSET FIT

1. To adjust headset size, move the headband up and down until it fits comfortably.
2. Move the microphone boom up or down until it is level with your mouth for better voice capture.
3. Boom can be tucked out of the way when not being used.

## PRÉSENTATION DU PRODUIT

## CONTRÔLEUR INTÉGRÉ

## BRANCHEMENT DU CASQUE

Branchez le connecteur USB-A sur un port USB de l'ordinateur.

## AJUSTEMENT DU CASQUE

1. Pour ajuster la taille du casque, déplacez le bandeau de haut en bas jusqu'à ce qu'il soit confortable.
2. Déplacez la tige du microphone vers le haut ou vers le bas jusqu'à ce qu'elle soit au niveau de votre bouche pour une meilleure capture de la voix.
3. La tige peut être rabattue lorsque vous ne l'utilisez pas.

## COMMANDES
